

## TROPHY COMPETITIONS

We will shortly be entering the period when there are a lot of ladies and mixed trophy competitions. I would like to take this opportunity to remind members that 6 qualifying competitions, within the rolling year, are required prior to entering these competitions. The only exception being the Katy Plater Trophy which requires 3 qualifiers.

New members can carry forward 3 qualifying competitions from their previous club, a full handicap record will be required by the handicap secretary.

If you do not know if you have achieved the necessary criteria please contact a member of the competition team or the handicap secretary.

Thank you.

Judy Davis, Ladies Competition Secretary
