Welcome to Sand Martins

Sand Martins is conveniently located just off the M4 and M3 and is one of the most popular golfing destinations in the area. The course layout has been designed with two distinct and contrasting loops. The back nine is truly unique among inland courses, leading many to comment there is a true 'links style' feel.

At Sand Martins we are pleased to customise your golf day to suit your group's individual requirements. Our function room seats up to 120 guests, overlooks the course and is the ideal place to finish the day. As part of your Sand Martins experience our Golf Operations team can organise the entire event for you; taking care of nearest the pin, longest drive, golf clinics, prize tables, etc.

Our talented team of chefs, lead by Tim Mackenzie, use only the best local produce to ensure that your chosen meal is of the highest quality. You will find a selection of menus enclosed to include 3 course meal, BBQ, hog roast, carvery, hot & cold buffet. If you have your own ideas just let us know and we can tailor make a menu to suit your requirements.

An eye for detail and doing the little things ensures that we maintain our reputation as one of the most popular society venues in the area. Whether you are a small group of friends or a company looking for corporate hospitality, we can tailor your golf day to suit any occasion. Groups are welcome Monday to Thursday and booking is essential. If you wish to discuss your requirements in more detail or if you require any further information please feel free to contact us.

We look forward to hearing from you.

Kind regards
