

SAND MARTINS DRESS CODE

Sand Martins is a modern golf club, and we consider that appropriate behaviour both in the clubhouse and on the golf course is far more important than dictating how an individual should be dressed.

We do recognise that opinions on this matter are divided, so as a guideline please note that any smart casual clothing, including denim, is acceptable in the clubhouse although we do ask that headwear is removed. Sandals and loafers (including flip flops and sliders) may be worn without socks during the summer (April to Sept).

Metal spikes are not permitted in the bar areas and we do ask golfers to change from their soft spikes during the winter and wet weather clothing to prevent grass and mud being brought into the clubhouse. Clean trainers and the modern pimpled golf shoes in the clubhouse are perfectly acceptable.

On the golf course, putting greens and driving range, we do accept fashion changes very quickly and our current guideline is simply that all recognised golfing apparel is acceptable. Gentlemen's shirts these days are designed to be worn in or outside the waistband and matching socks of any variety are fine. Golf shorts should be tailored and cargo shorts are, as yet, not deemed golfing apparel.

Please ensure mobile phones are switched to silent or vibrate mode within the clubhouse. Phone calls, zoom calls (or similar) are not permitted in the member's bar. Phone calls can be made in the main entrance hall or outside the clubhouse.

THE COURSE

ACCEPTABLE

NOT ACCEPTABLE

Mobile phone calls are not permitted on the golf course or driving range.
